## Morning Drop Off

Parents, **please use our dop off lane** if you are taking your children to school in the morning. We have an increasing number of parents parking in the staff parking lot or on the street in the cycling lane and we ask you *not* to do this. Our drop-off lane is the safest, most efficient way to manage the morning traffic.

A reminder to be respectful of the line of cars behind you and to try to make drop off a quick goodbye. Also, please pull up to the furthest parking spot in the lane to allow more cars to fit in. If your child needs accommodation with drop-off, please call us and we can help make arrangements. We thank you for your cooperation.

## BUS PASSES

Our bus fleet is running at full capacity. We are unable to provide bus passes for anything other than primary childcare needs at this time.

## AFTER SCHOOL PLANS

A reminder that any changes to a student’s after school plan needs to be arranged **prior to coming to school**. We ask that changes be communicated to teachers in writing. Bus students are not permitted to walk home without written permission.

## BUS STOP SUPERVISION

We ask parents to please wait with your child at your designated bus stop, as this will prevent your child from being left alone at the bus stop, if a bus happens to be delayed for any reason.

## LATE ARRIVAL or EARLY PICK-UP

Parents, if your child is late for school, please remember that all doors are locked. Please go to the main door and be buzzed in. Please use the visitor parking lot near the green dumpsters when picking up students for appointments during the day.

## EARLY CLOSURE PLANS

Families are reminded to inform the homeroom teachers if there have been any changes to their child’s early dismissal plans. We are unable to contact families in the event of an early closure.

## PBIS "PAWS"itive News Corner

Over the past month, our school has been focusing on the “S” for “Show Respect” expectations on the PAWS Schoolwide Matrix. We are so proud of our students for working so hard to earn 3,608 “PAWS” cards from mid-September until the end of October and we are challenging them to earn 1,500 more PAWS cards schoolwide for November and December to earn their next school wide PAWS reward. Students can earn PAWS cards by Practicing Kindness, Acting Responsibly, Working and Playing Safe and Showing Respect.

Over this past month, we have really focused on being “Washroom Warriors” at our school by keeping the washrooms a clean and safe place for everyone. We still have a lot of work to do in many hallway washrooms, but the “Washroom Warriors” challenge created an awareness for our students to show respect and take responsibility when we are sharing washrooms at our school. The winners of the “Washroom Warriors” was the grade 3 and grade 4

washroom upstairs. The students in 3A,3B,4A,4B,4C and 4D earned the PBIS challenge reward and enjoyed an ice cream party in their classroom with Mrs.King and their teachers. Our grade four and five leadership program has started, and we have so many new student leaders in our building. Some of the new leadership roles that our students will be taking on are: Lost and Found, Seasonal Decorating, the School Milk Program, Collecting PAWS cards, Recess Buddies, Recess Monitors, Assembly Leaders, School Tour Leaders, Library Collections, PAWS Rewards Leaders, PBIS Event Leaders, PBIS Announcers for PAWS cards and Staff Recognition Leaders. We are so proud of all the grade four and five students who are working so hard at being excellent leaders in our building. There are so many positive things happening in our building and we are so thankful to have your support with implementing so many new components of our PBIS Framework!
