There will not be a whole school activity but teachers will be having special activities in their class.....something students would do on a snow day.

LATE FOR SCHOOL

Parents, if your child is late for school please remember that all doors are locked. Students must go to the front door and ring the bell to be buzzed in.

FOOD SERVICES

Our hotlunches program is operating. It consists of drinks: milk, chocolate milk, and juice as well as pizza on Fridays. The orders will be processed every month. Online ordering is available now up to the end of January.

We encourage parents to pay by Bambora. This saves sending money to school with your child and makes it much quicker for the order to be processed. If you need to send a cheque, please make cheques out to Sherwood School and send it in a baggie with your child's name, parent name and homeroom. If the payment is not received on time, your child's order will not be processed.

SHERWOOD HOME AND SCHOOL

There will be no Home & School Meeting in December. The next meeting will be in January and you will be notified.

PEANUT/NUT RESTRICTED SCHOOL

Sherwood School is a peanut/nut restricted school. We have a number of students who have a life threatening food allergy (anaphylaxis) to peanuts/nuts. Our school strives to keep these students safe in the school environment. It is necessary to check all ingredient labels to see if the products contain peanuts/nuts. Please do not send these products to school or on field trips at any time. Also we do not allow WOW butter in the school so please do not send this with your child. We appreciate the home and school working together to provide a safe place for all our students. Thank you for your cooperation.

STUDENT DROP OFF/PICK UP

The Cody Banks parking lot is the designated pick up/drop off area. There is a stairway at the back of the lot where students can safely cross over to our parking lot. **For safety reasons, parents please do not drop off or pick up students on Maple Avenue, Pine Drive or the school's parking lot.** Students should be in the building by 8:30 am in order to prepare for the beginning of class at 8:40 am. **Students arriving after 8:45 a.m. are asked to use the main entrance as all other doors will be locked.**

TIE TUESDAY

Sherwood is going to start having a Tie Tuesday! Mr. Gallant started this trend, and what better way to get the kids involved! Tie Tuesday is for EVERYONE, and can be a bow tie, regular tie, paper homemade tie or any other kind of tie! And don't forget that **Christmas Tie Tuesday is on December 15th.** We can't have Mr. Gallant as the only one rocking a tie on Tuesdays! Let's have some fun with this!

PHYSICAL EDUCATION

There may still be some outdoor physical education classes taking place so students are asked to remember to bring hats, mitts, snowpants, etc.

COLD WEATHER

The weather is turning colder and students will be outside at lunch and recess. Please remember to dress appropriately. All children go outside at recess. If your child is not well enough to do so, he/she should be kept home.

If you don't have insurance, [complete and sign a Declaration form](#) [PDF | 70 KB]. Your optometrist will not ask you to pay for the exam and glasses, if required, as they are covered by Health PEI and the PEI Association of Optometrists

Eye See ... Eye Learn Program

To ensure children get the best possible start to their education, the **Eye See ... Eye Learn™** program provides one free eye exam and, if required, one free pair of glasses during their kindergarten year.

Please note:

The PEI Association of Optometrists and eyewear sponsors, VisionTech Labs PEI and Viva Canada have partnered with Health PEI to offer this eye health and

vision awareness program for kindergarten children.

Why is it important for my child to have an eye exam?

When children start school, 80 per cent of their classroom learning is through vision. Regular eye exams give them the start they need to reach their learning potential. Eye exams can identify health problems and conditions such as a turned or lazy eye. These conditions may be successfully treated if they are identified early in a child's life. It is recommended that infants should have their first eye exam at **six months of age.**

How do I register my child for an eye exam?

1. Book an appointment with an [optometrist](#) for your kindergarten child.
2. Bring your child's PEI Health Card and private insurance information with you to the appointment.
3. If your optometrist is unable to bill your insurance provider directly, you will have to pay up front and be reimbursed. Submit your claim to your insurance provider, then [complete and submit an application for co-pay reimbursement](#) [PDF | 70 KB] to Health PEI for the remaining amount.
