

SHERWOOD ELEMENTARY SCHOOL

2021-2022 FOOD PROGRAM

Sherwood Elementary School is pleased to offer milk, chocolate milk, juice and pizza for the 2021-22 school year. All menu items adhere to the province's Healthy Eating Alliance guidelines. Below is the food ordering process to be followed if your child wants to participate in the Food Program.

**Our food services begin on Monday, September 20th for the 2 week period ending October 1st, 2021.
On-line ordering will be available starting September 13th, 2021.**

1. We offer services Monday to Friday every week.
2. Orders are done online using Hotlunches.
3. All payments must be received either by Bambora or cheque **every second Saturday morning before 9:00 am. If the payment is not received the order will not be processed**
4. If your child is absent on Monday and you pay by cheque, please drop your child's payment off at the office between 8:15 – 9:00 am.
5. We cannot process late orders.
6. **Please pay by Bambora if at all possible.** This cuts down on a considerable amount of work for the volunteers. If you need to send a cheque, please make cheques payable to Sherwood School.
7. If it is necessary to send money, please ensure it is the correct amount for the order as our volunteers will not be making change.
8. If sending payment to the school, please include parent name, child name and homeroom/teacher and put payment in a baggie.
9. Milk and juice must also be ordered for the entire two week period.

PLEASE NOTE: The system is reset at the end of each school year and all the student information is deleted. Therefore you need to register your child(ren) at the first of the school year.
